

Introducing Our Bespoke RaaS Model

Recruitment as a Service

RaaS simplifies your challenge of sourcing global talent with a fully integrated hiring approach that leverages technology, automation, in-depth candidate analysis, and recruitment expertise.

You gain access to top industry talent at one fixed monthly cost.

Why RaaS?

True Partnership with a Dedicated Account Manager

Recruitment that is fully-aligned with your business strategy and goals - a perfect extension of your brand in the market, sourcing the crucial talent you need across a wide range of vacancies in your business.

Access Our Candidate Tracking Platform

Elevate your hiring process with an advanced candidate management system customised to your business. Impress candidates with a smooth and cutting-edge platform.

Simplify Your Annual Hiring Budget

Spread the cost of annual recruitment with a simple monthly subscription. Reduce your recruitment spend and improve the accuracy of your hiring budget. Full transparency and no surprises.

Elevate Your Employer Brand

Offering marketing support to increase your reach. Access niche job boards, all our marketing channels, and customised marketing assets to promote your business as a top employer.

Access Phsyometric and Competency Testing and Pre-Interview Videos

A deeper and faster analysis of a candidate's suitability and team fit using scientific evaluation.

How does Raas Work?

Recruitment covered by a fixed monthly subscription!

You just pay a simple fixed monthly subscription for job credits that can be used on any of your annual vacancies.

If your candidate leaves within the partnership duration, you get your job credit back to be used on a replacement or any other live vacancy.

Don't just settle for Standard Recruitment

Transform your hiring with RaaS!
